Take a good look at the pictures here . . . they represent a real Galveston Industry—founded by Galvestonians—and progressing because of the service given to Galvestonians . . . An industry worthy of your whole-hearted support. . . . An institution that has grown from a small beginning into a large and integral part of Galveston's Industrial Empire through serving a Better Brand of Merchandise and by giving a great deal of more personal service to the citizens of this county and city who are our neighbors. We are happy to be a part of Galveston's business life and are thankful of the support Galveston people are constantly giving us.
